

West Shore Music Boosters  
P.O. Box 584  
New Cumberland, PA 17070

March 8, 2022

Dear Director/Instructor:

On behalf of the West Shore Music Boosters in conjunction with the West Shore School District, we welcome you to the West Shore annual KIDA Percussion and Color Guard Indoor Competition. We are very excited that you have decided to join us.

<b>General Information:</b>	<b>Show Start Time:</b>	4:00 PM	
	<b>Show Price:</b>	Adults - \$ 10.00	Students: \$ 5.00

We are a cash only facility

### **Parking:**

**Buses** should drop off students/staff at the second school entrance (by the Natatorium) located in the front of the building. The buses will then be directed to the middle school located along Fishing Creek Road, Crossroads Middle School, to bus parking in the rear. Maps are included for bus drivers.

**Staff & Crew Entry** We utilize KIDA rules regarding Staff/Handler & All-Access passes. Each unit will be given 10 wristbands in their registration packet at check-in (2 front side and 8 back staff & handler). **Any additional support staff/handlers will need to purchase their ticket from the admissions counter located at the main entrance of the school.** General admission tickets are not sold at the unit check-in entrance.

**Spectators** can park in the main parking area just below the main entrance at the front of the school. Please do not park in the spaces along the driveway as they are reserved for handicapped spectators and emergency personnel.

**Equipment** trucks should proceed to the rear of the school (see map) where they will be met by our equipment host. Equipment vehicles will be parked at the rear of the school in a first-in, first-out manner for easy re-load. We have limited space available in the school for equipment. Please respect the equipment host's directions for equipment storage/line-up; there may be groups that arrive after you that perform at an earlier time.

### **Dressing Facilities:**

Rooming for all units will be in the auditorium. The boys/girls locker rooms are located to the right of the auditorium. All groups will be responsible for their own belongings and equipment. No one is permitted on the second floor of the school at any time. **Food or drinks are not permitted in the auditorium or the gymnasium.**

### **Cafeteria:**

The cafeteria will be open at 3:00 PM. **All food and drink must be kept in the cafeteria area.**

**Warm up:**

**Percussion Units** will be given 18-minutes of warm-up time in either (B) or (C) as indicated by your schedule. **PRACTICE AREAS ARE NOT** available in the school. If weather permits you may wish to practice outside the school. If you utilize this option, we ask that you do not block any of the entrances to the building. You must be at the gymnasium ready area (across the hall from warm-up gym C) 10-minutes prior to your scheduled performance time.

**Warm up:**

**Guard Units** will have a 14-16-minute stretch/body warm-up in either the chorus room (A) or band room (B) (see map) as indicated by your schedule. **No equipment may be used in these rooms.** You will then have 4-minutes to move to the warm-up gym (C or D) where you will have 14-16-minutes of equipment warm-up time. Following warm-up, you will be directed to the gymnasium ready area, which is directly across the hall from warm-up gym (C).

**Please respect the other units' warm-up times. Do not enter the warm-up areas until your scheduled time.**

**Sound check:**

There will be time available prior to the start of the show (see schedule), as well as after the percussion awards but prior to the start of guard units. Please provide our announcer with a legible (preferably typed) announcement/show description. Make sure your group's name is also included on your CD. You can pick up your CD from the announcers table during breaks or at the completion of the show. Additional sound checks may be conducted during breaks between units.

**Grams/Buttons:**

Grams and buttons will be available for the convenience of the spectators at the show. They will be located just outside the main entrance to the gymnasium.

A revised schedule, with warm-up and performance times, will be provided to your unit at check-in. If you have any questions, please do not hesitate to contact me at any time. Our sincere best wishes are extended to your group. We hope everyone will have an enjoyable experience.

Sincerely yours,

Ben Rupp

Attention all participating units

Per KIDA By-Laws, 10 wristbands per unit will be provided in your packet at Unit Check-In. Any additional individuals will need to proceed to the spectator entrance and pay an admission fee for the show.

Per KIDA bylaws 2011

IX. STAFF & HANDLER PASSES

A. Each school will be issued a maximum of 10 PASSES per unit (2 front side and 8 back stands). Show sponsors will not be expected to allow any free entries beyond these quantities.

Thank you for participating in the West Shore School District Indoor Show.

Ben Rupp  
Show Chairman

# **VIDEO POLICY**

**Due to U.S. copyright law, and the request of the performing groups, videotaping and/or recording of this event is strictly prohibited. You may be subject to dismissal from the venue or your equipment temporarily impounded if found to be in violation.**

**By purchasing a ticket to this event you agree to comply with the video and photography policies as defined by KIDA.**

## KIDA ENTRANCE AND EXIT CLARIFICATION

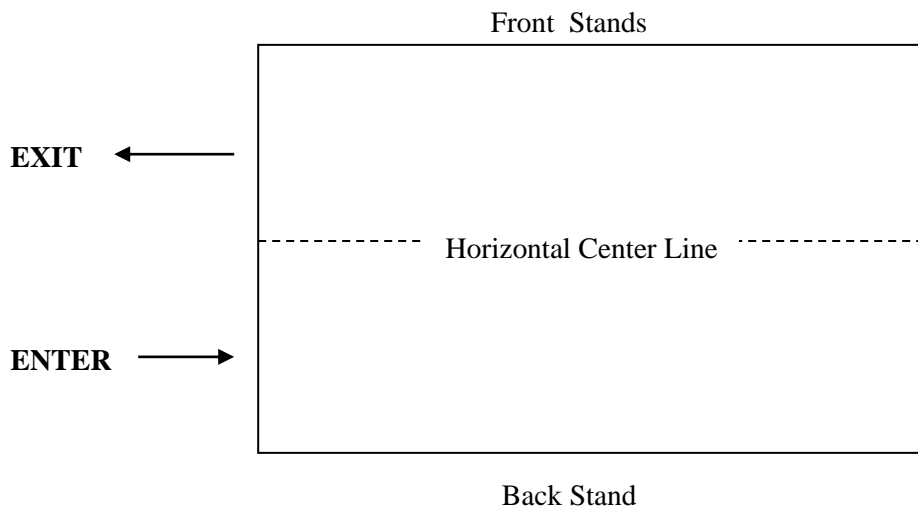

### ENTRY:

Each unit will assemble at a set-up line outside the competition area while awaiting their entrance to set up. When directed by the Contest Director, that unit will proceed from the waiting area to the initial set-up area once the previous competing unit has vacated that area. This area will be previously designated and will be ½ of the competition area (either vertical or horizontal). When further directed by the Contest Director, that unit will proceed with the remainder of their set-up utilizing the entire competition area. Your time will begin when the unit is released from the initial set-up area and crosses the centerline (either vertical or horizontal).

### EXIT:

All personnel, equipment, and/or props must be off of the contest floor, clear of the centerline at the conclusion of your time. For purpose of timing, equipment and props are considered removed and timing stops when they have been moved across the center- line (either vertical or horizontal) depending on the contest/show site. After the equipment/props have crossed this line, they must be removed from the area immediately and taken to an area designated by the show sponsor.
